Dear Morten / Gert,

Further to brief discussions, please see enclosed revised (Cancelled).

Due to vessel not having room currently to take the LSMGO (0.1%). Only MGO on-board @ 0.6%, unable to call EU ports (Including Algeciras & Gibraltar). As mentioned only options would be North Africa at this range, but to our knowledge no avails in these ports.. Alternative Ceuta is limited by LOA.

Please should you have any questions or require any further information don't hesitate.

Kindest regards,

Gert Nell
